

The Itchenor Society

Hon.Sec. Peter Arnold
Meadow Cottage
Glebefield Road Itchenor
Chichester
West Sussex PO20 7DB
Telephone: 01243 513721

Dear Resident,

On behalf of the Itchenor Society welcome to the village.

As you are probably aware Itchenor is in an Area of Outstanding Natural Beauty. In 1989 the Itchenor Society was formed by residents to oppose plans for another road into the village and the doubling of the size of the car park. Since then the Society has worked hard to maintain the beauty of the village and support its amenities by for example maintaining hedgerows and planting trees with guidance from the Harbour Conservancy and Parish Council. The Society also takes an active part supporting a variety of initiatives which directly or indirectly are of benefit to the village. It was instrumental in the production of the Village Design Statement and has raised funds through Village Fairs, Pig Roasts and its Summer Parties for St. Nicholas Church and the Memorial Hall - further details can be found on the Society website www.itchenorsociety.co.uk.

The majority of residents are members but our aim is to represent everyone. When the society was founded a basic nominal annual subscription of £2 single and £3 family was set but many members now generously increase their subscription or make a donation. We hope you will join us by completing the tear-off slip below and returning it to the Membership Secretary Michael Goddard, Sunnybrow, The Street, Itchenor, West Sussex PO20 7AE, Tel No: 01243 511134
